

Carinzia Conference Center

SEMINARS. CONFERENCES. FUNCTIONS. INCENTIVE TRIPS. EVENTS.

The best ideas come to those who relax.

The 4-star Falkensteiner Hotel & Spa Carinzia is a jewel of a hotel for your conferences and incentive trips. The newly opened Conference Centre offers seven rooms with abundant natural light, cutting-edge design, and conference technology that is unequalled. The German names of these rooms are modelled on precious gems, as is only fitting. It does not matter whether you are having a meeting in Smaragd (Emerald) or going over the balance sheets in Rubin (Ruby): our planning team will ensure that your event will be of superior quality.

But it takes an attractive leisure programme to make a meeting or a conference truly great. Our exclusive Acquapura SPA, for instance, or the guided outdoor activities: How would you and your team like to visit the rock labyrinth? We promise that you will find your way out again. Or enjoy the challenge of a canyoning trip through the wilderness of the Alps, and don't forget rafting, biking and many others. Holidays are nice, but when you stay with us, your meeting will be the best time you will have all year.

HOTEL DESCRIPTION

The Falkensteiner Hotel & Spa Carinzia will pamper you with: modern architecture, elegant surroundings, alpine and Adriatic culinary delicacies and a wellness oasis that must be seen to be believed.
